

EPOS Video-talk on the Ecosystem Services **By Doc Irina Herzon, University of Helsinki**

This talk is designed to accompany the paper by Prof Power (*Power, A. G. 2010. Ecosystem services and agriculture: tradeoffs and synergies. Phil. Trans. R. Soc. B 365, 2959-2971*) and builds up on it. The author's advice is to read the paper and have it beside (or on the screen) when you listen to the talk.
