Afternoon

There will be the possibility (we have to choose three of these):

- to walk in Viterbo downtown;
- to visit Valentini organic farm (about 30 km from Viterbo);
- to visit the experimental fields of University of Tuscia;
- to go in the thermal area and have a little fun.

Evening

9.30 pm, dinner in the restaurant "Fratelli La Bufala Viterbo" which proposed us some of their particular good foods.

¹ Peter was the one who hasn't given any presentation about problem solving projects during our 3rd EPOS meeting in Madrid - therefore it's time for it now. Presentation should show: the list of topics, enterprises, students, results, lessons learnt, observations etc.

² Short report from each partner - ideas, steps taken, obstacles, successes, perspectives & general discussion.

³ 10 minutes presentation showing all details about the Multiplier Event – dates, venue, number and profile of participants/target audience, topics of presentations, observations, feedback of participants, photos etc. (WARNING: original lists of participants with all required details & signatures and official program of the event need to be passed to Dominika during the meeting!)

⁴ 10 minutes presentation of dissemination reports + plans for further dissemination activities/perspectives by each Partner.
